

## P1, ERP Intro & Appt Set Up

Confirm we have right person	
wit	Mr./Mrs sorry to interrupt you today. My name is I ameth [XYZ Restoration] we are a full service restoration contractor. If a sprinkler head or pipe eaks and you needed to call a cleanup company would you be the right person to speak with?
Expla	ain what we are doing
	I understand I interrupted your day; I wanted to schedule a conversation with you regarding [disaster planning and recovery]? (Wait for response)
	Not good timing When would be a good time to call back? (if they ask to simply send an email and they will respond if interested, avoid this at all cost.)
;	Needs little more info  We currently work with[name other companies in their market, i.e. Hotels and other corporate organizations helping them with [disaster preparedness, site analysis, and 3D mapping of their facilities], in preparation of future emergencies and business continuity.
	We set up these plans at no cost to you, would you have interest in learning more?
	Set up meeting / Overcome objection
	Yes – Do you time next week to meet? (beginning or end of week? Morning or afternoon?)
	<ul> <li>No – Ok, is it because you already have a disaster recovery plan in place?</li> <li>Do you currently have a go to restoration contractor?</li> <li>Are you happy with them?</li> </ul>
- 1	Do you have 3D scans of your facility?

## NO

Who would be the right person to speak with? Do you have their contact information?

currently not getting would you be interested?-- If a sprinkler head went off what are you doing?

--If someone can provide you additional services that you are
